Digital Portfolio

Education

National University of Singapore **2013 - 2017**

- Undergraduate: Bachelor of Arts (Political Science), Tembusu College Alum

Tokyo University of Foreign Studies **2016**

- Introduced local texts to professors, later adopted into Media and Politics professor's syllabus.
- Tutored an undergraduate's research into Singapore's governance, on request of TUFS' dean.
- Actively promoted Singaporean arts/culture, performing Peranakan-electronic remixes for Cultural Day.
- Joined the University's Karate and Kendo clubs, and passed local belt examinations.

DataCamp: Programming MOOC Data Analyst in Python (Career Track) **2019**
NUS School of Continuing Lifelong Education: Python For Data Science **2018**
NUS Middle East Institute: Middle East Politics **2018**

Experience Highlights

Events Coordinator (Hydse, Independent) **2024 - 2025**

- Managed stakeholders - between the production team, host-client and venues – and detail teams of ad-hoc workers and volunteers, across various sectors from public, private and academia.
- From large scale international investment conferences such as Impact Week, to fintech expos such as Token2049, arts-donor dinners such as National Arts Council Gala, sensitive post-General Election focus groups with Reach Singapore, academic conferences such as ABN Bioethics Conference.

Middle East Institute **2022**

Training Instructor

- Conducted and developed a weekly course for industry and public policy practitioners, to Middle East academic experts and MENA-based industry dignitaries.
- Facilitated a platform for shared knowledge and networking opportunities for business and diplomacy.

Music Producer (NUS Centre for Arts: Electronic Music Lab, Independent) **2015 – 2020**

Vice-President (Production and Publicity), Arts Group Tutor, Independent Producer

- Tutored workshops for NUS students, alumni and public - using my proficiencies in Ableton Live, mixing, vocal tracking, and my experiences with electronic pop artists like Jasmine Sokko, and professional studios.
- Wrote press releases and copywriting to external publications, adopted by Straits Times and Bandwagon.
- Organised concerts, including the club's first for-profit festival outside campus, EML30 – initiating external collaboration with SMU, hobbyist clubs, venue, technical providers and corporate sponsors.
- Kickstarted partnerships and collaborative concerts across different artistic disciplines such as NUS Dance Synergy, Guitar Ensemble, Amplitude (bands).
- Performed individually @ Singapore Night Festival, TED Talks, NUS Arts Festival, Music Matters Live.

OCBC Bank Property Services **2017**

Finance / Accounting Associate

- Reorganized index of real estate holdings, collateral, cashflow spreadsheets - streamlining head accountant's workflow and company processes.
- Public-facing side: Interfacing through phone and in writing with customers and real-estate tenants.

Personal Projects

Founder/Community Manager for Online Music Community **2022-Now**

- Launched an online community that connects artists, music enthusiasts, general public and foreigners together within a single touchpoint, that allows for self-submitted works, later branching across 3 public social media platforms (Reddit, Instagram, Telegram).
- Total of 3500 subscribers, Monthly Visit Rate at 26k views with 11k unique impressions in the month of December alone, and developed a direct content partnership from Reddit HQ.
- Publishing a weekly list of chiefly music events, but also other arts, workshops and general interest happenings, with the assistance of my Python and web-scraping coding background. Whilst facilitating meet-ups and general information fact-finding.

Coding (Self-Started): Excel-VBA Program for Fantasy Football Management **2018**

- Developed a player-asset management tool with GUI, simple memory handling and logical rulesets for a community.

Videographer (Self-Started): Video Director & Editor for NUS Tembusu College **2015**

- Wrote storyboards, film, edited thematic videos for events like weeklong orientation; capitalizing on the opportunity to learn CGI via After Effects without formal experience.

Singapore Model Parliament 2015: Parliamentarian **2015**

- Debated on Legislation such as Sedition Act, Section 377(A) and CPF (Amendment) Bill in a 90-man competition.

Elections Department: Election and Polling Agent **2015**

- Adjudicated vote-counting for the new Sample Count initiative in GE 2015 at Bishan-Toa Payoh GRC.

HCI-GSK EDB-Entrepreneurship Challenge Best Business Idea **2010**
Chief Marketing Officer of Enhanced Geothermal System Plant

- Leveraged entrepreneurial studies program niche to generate market strategy and feasibility report.
- Finalist: Slidedeck presentation, pitching to an audience of 500 and 3 industry panelists (EDB, GSK).
